Nice little village accessible only ferry, seaplane or the PCT. Restaurant, motel, small store. There is a shuttle service that runs the length of the Stehekin road during the summer.	The end (woohoo!!!) of the Pacific Crest Trail. Motel, Greyhound bus stop, restaurant, and a bar that serves Moosehead beer on tap (or at least they did in 1994).
Store Information (from the owners):: Currently we have fuel-propane, white gas and methanol. Assorted dried foods- apples, bananas, cranberries and a small variety of whole-wheat fig bars, all are made by "Bear Foods" our local health food store. We also have candy bars and power bars. Our prices are a little higher than most places because we have to pay extra freight in order to get our merchandise to Stehekin but we think you will find the prices reasonable considering! Ex. "Hershey" bars \$0.75, dried foods range from \$2.50 up to \$7.95 for ready to eat meals. This is only a small sample of what we have. We do accept Visa and MasterCard, currently with a \$20.00 minimum. (We are working on lowering that to \$5.00, this is difficult because there is no direct phone line.) We like to tell people, "We don't have a lot of one thing, We have a little of everything." If you would like more specific info, let us know and we will gladly send it to you. We can be reached at mgregormountain@starband.net if you have any questions.
